**Statement:** (no more than 100 words. Longer statements will be cut at 100<sup>th</sup> word.)

The 4Cs needs leaders who will establish progressive policies to support our members, students and communities.

As a member of the 4Cs Delegate Assembly since 2012, I have advocated for the full inclusion of members in contract negotiations and for standing strong to represent all members.

I made motions in the Delegate Assembly against having Managers on Promotion Committees, and against Students First. Despite passage, the Executive Board ignored the Delegate Assembly by secretly codifying changes to promotion procedures and relinquishing the fight against Students First.

Our slate will fight for you and bring necessary changes to the 4Cs.
